CAPTURED AT LAST. A PICTURE FROM LIFE.

Here Is Something So Perfectly True to Nature. .

THAT MANY PEOPLE WILL RECOG-NIZE IT AS THEIR OWN.

Rend It and See If It Is Not Just What You Yourself Would Say.

Now and then we hear something that is so perfectly and exactly true to na-ture that its description by one person

ture that its description by one person would be almost exactly as most other people would give it.

The following is a case in point, and you will see that the description would almost exactly rally with your own. The lady's name is Mrs. J. P. Swift, and she resides at 259 Washington street, Boston Massachuseits.

resides at 2589 Washington street, Boston, Massachusetts.
"Four years ago," she said, "I was in a position of complete physical and nervous prostration, had but little appetite, severe indigestion, stomach distended with gas, constipation, palpitation of the heart, sleeplessness, pain in back of the neck and base of the brain, and was so nervous and despondent that life was a burden. As a result of this condition, other weaknesses peculiar to my sex fell upon me, until I was utterly wretiched.

"After much medical treatment and
constant failure, I was induced to try
Dr. Greene's Nervura Blood and Nerve
Remedy. It was in a faint-hearted way
and with little hope, but I soon began
to sleep better, my digestion improved,
the pain in the head became less revere,
and I respirally gained strength until and I gradually gained strength until

felt as if I had been extricated from a pit of abject darkness and despair and emerged into the sunlight. Dr. Greene's Nervura Blood and Nerve Remedy saved me! Very many of my friends to whom I have recommended Dr. the remedy can attest to similar results

in their own cases.
"It is truly a wonderful medicine and might well be called the 'Woman's Friend,'" Another lady, Miss Annie Smith, of 239 east Eigthy-seventh street, New

York city, says:
"I have suffered severely with nervous headache and palpitation of the heart for the past three years, and tried most every kind of medicine, but falled to obtain any relief until a friend recom nended Dr. Greene's Nervura Blood and

Nerva Romody. "I am happy to say, after using two bottles, I have found a decided improve-ment, as I sleep well nights and my heart does not trouble me as it did, and I feel like an entirely different person."
The above cases describe accurately the feelings of thousands of women, and if they will use Dr. Greene's Nervura stood and Nerve Remedy they will reoy life once more. It is purely vege-able and harmless.

Moreover, this wonderful medicine has something to give everybody confidence in its value which mest remedies lack, the fact that it is the discovery and prescription of an eminent physician, Dr. Greene, of 25 west Fourteenth street, New York, who is the most successful precidity in configurations. specialist in curing rervous and chronic diseases. Dr. Greene can be consulted free of charge, personally or by letter.
